

The Purple Circuit Theater Directory

**January 2002
EDITION**

THE PURPLE CIRCUIT DIRECTORY

The Purple Circuit is an informal network of individuals and theatre groups that create and support gay, lesbian, queer, bisexual, or transgender theatre and performance throughout the world. The Directory lists venues that are Identity: one of the above or are "a Identity: Kindred Spirit," which are those organizations that are not Identity: any of the above, but are interested in producing such work.

The Directory is a tool for playwrights, producers, performers, other theatre folk, and audience to find each other. The information is as accurate as possible and constantly revised as individual listing changes are sent to us. The entire Directory is revised annually. With this revision I have asked the theatres for an estimated timeframe on responding to submissions, and for criteria for submissions. Please note; some theaters do not accept scripts or are not interested in sponsoring visiting performers. Most have volunteer or small staffs so replies may take a long time. An exploratory letter or synopsis may be desirable instead of sending a full script. Producers are urged to acknowledge receipt of scripts that come with a SASE as timely as possible.

For further updates or to subscribe to our quarterly newsletter "ON THE PURPLE CIRCUIT," send a check payable to: "Bill Kaiser," (suggested yearly subscription rate is US\$20.00) as well as listing updates and other information to:

In these times we must preserve, promote, and nurture our culture!
